

Rockstead Capital Group Launches New Investment Fund, RSAM Venture Fund.

1st October 2007 - Rockstead Capital Group is pleased to announce the launch of RSAM Venture Fund ("RSAMV"). RSAMV is a private equity fund focused on investment opportunities in mid-sized companies in Singapore, Hong Kong, Vietnam and China.

Leveraging on our strong and diversified business networks, Rockstead Capital Group has cultivated good business relationships in these countries.

RSAMV investment emphasis will be on the environmental, energy, agriculture, medical and healthcare industries, and would consider all other good investment opportunities should they arise.

Rockstead Capital Private Limited is the fund manager for RSAMV.

About Rockstead Capital Group

Rockstead Capital Group is a boutique investment and advisory firm with a direct presence in Asia, Europe and North America. Its investments and operations span across Singapore, Hong Kong, China, Germany and the United States.

Headquartered in Singapore, Rockstead Capital Group manages, among its other funds, RS Asset Management and RS Ventures Limited. Collectively, the funds have over US\$200 million of assets under management.

Since the inception of its fund management activities, the assets under management have achieved remarkable growth. Its success is the result of a dedicated professional team with a hands-on approach to support their investments with their repertoire of global financial knowledge, capital markets expertise and business database.
